January 28, 2009)
[Page: E160]

SPEECH OF•
HON. RON PAUL
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
WEDNESDAY, JANUARY 28, 2009

- Mr. PAUL. Madam Speaker, I rise to introduce legislation that allows the shipment and distribution of unpasteurized milk and milk products for human consumption across state lines. This legislation removes an unconstitutional restraint on farmers who wish to sell or otherwise distribute, and people who wish to consume, unpasteurized milk and milk products.
- My office has heard from numerous people who would like to obtain unpasteurized milk. Many of these people have done their own research and come to the conclusion that unpasteurized milk is healthier than pasteurized milk. These Americans have the right to consume these products without having the Federal Government second-guess their judgment about what products best promote health. If there are legitimate concerns about the safety of unpasteurized milk, those concerns should be addressed at the state and local level.
- I urge my colleagues to join me in promoting consumers' rights, the original intent of the Constitution, and federalism by cosponsoring my legislation to allow the interstate shipment of unpasteurized milk and milk products for human consumption.
